

CODE OF CONDUCT HACKNEY CARRIAGE AND PRIVATE HIRE DRIVERS

Hackney Carriage and Private Hire Drivers (referred to in this document as drivers) are in a position of trust in respect of the safety and welfare of their passengers. The Licensing Authority, through its licensing team and committee, has to ensure that all drivers are 'fit and proper' to undertake their work as drivers and that they also act as ambassadors for the district. It is essential that the council and drivers work together in order to ensure members of the public are treated with dignity and respect, including reporting any concerns.

On occasions, drivers may become aware of, or have suspicions that, a passenger may be the victim of abuse, neglect or exploitation either sexual or otherwise, or at risk of becoming a victim. In addition, drivers themselves may be accused of misconduct or inappropriate behaviour through the misinterpretation of the driver's actions or conversation.

Therefore, Boston Borough Council has introduced this **Code of Conduct** which is aimed at providing the best possible service by protecting both passengers and drivers. This code ensures that concerns, suspicions of abuse, neglect or exploitation can be reported appropriately and minimise the risk of misunderstandings.

Drivers are expected to comply with this Code of Conduct. Failure to do so may result in the driver being referred to the Regulatory and Appeals Committee to explain the circumstances surrounding any incident. In the event of a repeated and/or serious failure to comply, drivers can expect that consideration will be given to the suspension or revocation of their licence.

It should be noted that the code does not over-ride any legislative requirements, licence conditions or contractual obligations, such as County Council contracts under the Green Badge scheme.

Drivers should:

- Act in a professional manner at all times
- Treat passengers and other road users with respect
- Keep relationships with passengers on an appropriate, professional basis
- Respect all individuals – regardless of age, disability, gender, sexual orientation, gender reassignment, religion/belief, language spoken, race or ethnicity, pregnancy/maternity and marriage/civil partnership.

And be aware of:

- The safety and well-being of passengers being paramount
- The importance of the use of appropriate language
- The vulnerability of children and persons with special needs.
- Any instruction given about the care or first aid requirements of a passenger
- Possible caution required when dealing with passengers in distress
- Personal beliefs and standards, including dress and religion
- Passengers misreading situations
- The use of social networking sites such as Facebook and Twitter. These are public websites and therefore passengers conveyed may access a driver's site. Ensure you use the appropriate privacy settings to avoid passengers viewing your social media sites

Drivers should never:

- Become over-friendly or unprofessional in any way with passengers or engage in any form of inappropriate relationship, infatuation or show favouritism.
- Make physical contact with a passenger, unless in an emergency situation, or if required to do so because of the additional needs of the passenger.
- Administer medication unless a specific request has been made by the hirer.
- Photograph or video passengers in your care unless used in compliance with data protection legislation and any relevant codes of practice issued by the Home Office or Information Commissioner's Office.
- Engage with passengers who are children or vulnerable adults through social networking sites (such as Facebook and Twitter), instant messengers or any other online communication software such as mobile phone applications or video games
- Phone or send text messages to passengers other than directly concerning the hiring of your vehicle
- Swear at/in front of passengers or make personal/humiliating comments at/in front of passengers or tell inappropriate jokes to passengers
- Offer sweets, cigarettes or gifts of any sort.
- Stop anywhere other than the specified pick up/drop off points unless requested by the hirer.
- Show passengers inappropriate videos or pictures on your mobile phone or any other electronic device.
- Make inappropriate comments about other drivers, proprietors or operators to other persons either verbally, on social media or otherwise.

Safeguarding:

If a driver has concerns or suspects abuse, neglect or exploitation of a passenger then these should not be ignored. If there are any suspicions or concerns about the way someone is being treated it is important to report it to the appropriate authority. The safeguarding of children and vulnerable adults is everybody's responsibility. Remember that your information could help a vulnerable child or adult.

If a driver is working under a Lincolnshire County Council contract then those procedures set out in the Driver and Passenger Assistant Pack should be followed alongside any training received by the driver.

Otherwise, the following procedures should be complied with in reporting any information or suspicions you may have of anyone being subject to abuse, neglect or exploitation:

Action to be taken if you have concerns:

- If your concerns are of an urgent matter or you believe that a crime has been committed and there is an immediate risk of danger, telephone the police on **999 or 112**
