

BOSTON BOROUGH COUNCIL

Municipal Buildings, West Street, Boston, Lincolnshire, PE21 8QR

Christmas Lights for Boston 2018

The people carrying out the works will need to hold insurance for the activities being carried out with a minimum cover of £5million public liability.

Risk assessments and method statements will be required before any lights/displays are erected.

Permissions will need to be sought from land owners/electricity supplies/etc, we are able to assist with this.

Expression of interest

Are you:

An Individual

A Community Group: please state name

A Business

Other: please state
