BOSTON CREMATORIUM GRANITE WALL TABLETS

A number of granite wall plaques are available for dedication at Boston Crematorium.

Each plaque is inscribed with gold lettering on a black background and mounted on a granite frame of contrasting colour. The frames are mounted on the exterior walls, so that they can also be viewed at times when the buildings are closed. Plaques may be leased for any number of years. At the end of the lease term a reminder will be sent to your last known address inviting you to continue the dedication if you so wish.

Please note: It is not permitted to place vases, plants, artificial flowers or other items on or beneath the wall plaques. Such items will be removed periodically.
