### Conditions of lease

- The lease holder will be notified in writing at their last known address shortly before the lease expires, and given the opportunity to renew it for further periods. If no response is received within three calendar months of the notice, the cremated remains will be reverently scattered within the memorial area of the crematorium grounds and the plaque will be removed and retained for six months. Please inform us of any change of address and advise us of any new contact should the leaseholder pass away.
- The lease period may be extended at any time prior to the expiry of the lease term.
- Niches will only be allocated where cremated remains are to be deposited. They cannot be reserved in advance.
- The council reserves the right to refuse or amend any inscription if deemed offensive or inappropriate.
- The vases provided are for fresh flowers only. Other containers, plants, mementoes and artificial flowers will be removed, and retained for your collection. This measure preserves the available vase space for all visitors.
